2. MSC Math (Statistics)
3. MSC AP Physics
4. MSC AP Chemistry
5. *Band/Orchestra/Choir*
6. Elective

*Personal Fitness and Health are regularly scheduled during the 9th and 10th grade years, however you may schedule it any year you wish. You may also choose to take personal fitness over the summer or health online (with permission from the principal) and both are offered as a 7th hour class. You may also test-out of personal fitness. See the LPS website for more details: <http://www.livoniapublicschools.org/programs.cfm?subpage=31540>

* Utilize the optional 7th hour to free up more space in your schedule for electives or language. Personal Fitness and Health are offered as a 7th hour class. Health and Personal Fit may be taken ANY YEAR, ANY HOUR (not just your 9th and 10th grade years).

*Language will not be a graduation requirement until the class of 2016 (freshman entering in 2012).
